Republican Convention NYC August 30 - September 2, 2004 renominated Bush-Cheney. NYC location structurally significant - 3 years after 9/11.

Campaign brutal. "Swift Boat Veterans for Truth" August 4, 2004 launched. ~250 Vietnam veterans who served in Mekong Delta swift boat operations. Questioned Kerry's Purple Hearts + Silver Star + Vietnam service + April 1971 anti-war testimony. Politically devastating - attacked Kerry structural strength. Karl Rove operationalized indirectly. ~\$22M ads August-October 2004. Kerry campaign initially failed to respond aggressively. "Swift-boating" became cultural shorthand.

"Mission Accomplished" + ongoing Iraq War + Abu Ghraib damaged Bush. But Bush campaign successfully framed Kerry as "flip-flopper" (March 2004: "I actually did vote for the \$87 billion before I voted against it" - politically devastating) + "Massachusetts liberal" (cultural-coastal framing).

October 2004 debates. September 30, 2004 first debate University of Miami - Kerry exceeded expectations. October 8 second debate town-hall Washington University St. Louis. October 13 third debate ASU Tempe.

October 29, 2004 Osama bin Laden video statement attacking Bush. Bush campaign framed video as confirming Bush leadership necessity.

Geographic: Bush expanded 2000 coalition. Gained Iowa + New Mexico from Gore 2000. Lost New Hampshire to Kerry. Bush 31 states: most South + Plains + Mountain West + parts Midwest (OH, IN, IA). Kerry 19 + DC: Northeast + West Coast + selected Midwest (IL, MI, MN, WI) + HI + DC.

Bush second term 2005-09: (1) February 2005 Social Security privatization proposal failed. (2) August 29, 2005 Hurricane Katrina - structurally devastating federal response failure. Bush approval fell ~50%~35%. (3) 2006 midterm - Democrats gained House + Senate. (4) February 2007 Iraq Surge - 30,000 additional U.S. troops.

Reduced violence through 2007-08. (5) 2008 financial crisis - Bear Stearns March 2008; Lehman Brothers September 15, 2008; AIG September 2008. October 3, 2008 TARP \$700B. (6) Bush approval ended 22% (January 2009).

Acceptance Address at Democratic National Convention

JOHN KERRY, JULY 29, 2004

Kerry delivered this acceptance speech at the Democratic National Convention at FleetCenter in Boston on July 29, 2004. The "reporting for duty" opening was dramatic structural framing emphasizing Kerry's Vietnam Navy service - intended structural contrast with Bush's Texas Air National Guard non-combat service. The speech's structural focus on military service was politically risky: it invited Swift Boat Veterans for Truth attacks that would launch six days later (August 4, 2004). The Swift Boat attacks neutralized Kerry's structural Vietnam-service advantage + damaged his political position throughout the fall campaign. Kerry's structural lesson: even strong biographical attributes can be politically attacked when made campaign focal point.

"I'm John Kerry, and I'm reporting for duty. We are here tonight because we love our country. We are here tonight because we believe that this can be a better America. As President, I will bring back this nation's time-honored tradition: the United States never goes to war because we want to, we only go to war because we have to. That is the standard of our nation. I know what kids go through when they are carrying an M-16 in a dangerous place and they can't tell friend from foe. I know what they go through when they're out on patrol at night and they don't know what's coming around the next bend."

Answer key

QUESTION 1

286. Bush 286; Kerry 251.

AP students should know the 286-251 split.

QUESTION 2

Ohio. Bush won Ohio by 118,601 votes out of 5.6M cast (2.1 percentage points).

AP students should know Ohio.

QUESTION 3

Swift Boat Veterans for Truth: 2004 independent expenditure organization ~250 Vietnam veterans questioning Kerry's Purple Hearts + Silver Star + Vietnam service. Launched August 4, 2004. Politically effective: (1) Attacked Kerry's structural strength (Vietnam service). (2) Veterans' authentic-voice framing structurally credible. (3) ~\$22M ads. (4) Kerry campaign failed to respond aggressively. Karl Rove operationalized indirectly. Most Swift Boat allegations structurally exaggerated/false but political damage real. "Swift-boating" cultural shorthand.

AP students should be able to articulate.

QUESTION 4

Kerry's "I'm John Kerry, and I'm reporting for duty" uses four rhetorical strategies: (1) Military salute framing - dramatic salute physically embodied Vietnam service. (2) "Reporting for duty" military terminology positioned Kerry as service-oriented + duty-bound. (3) Structural contrast with Bush. Kerry's Vietnam Navy lieutenant service contrasted with Bush's Texas Air National Guard non-combat service. The framing was intended to position Kerry as more authentic military leader. (4) Service-as-character framing - military service became metaphor for political character. The framing backfired structurally in five ways: (1) Made Kerry's Vietnam service the campaign focal point + invited Swift Boat Veterans counter-attack. (2) Swift Boat Veterans for Truth August 4, 2004 launch neutralized Kerry's structural Vietnam advantage. (3) Veterans' authentic-voice attacks were structurally credible regardless of accuracy. (4) Kerry's 1971 anti-war Senate testimony provided Swift Boat Veterans additional attack material - "Genghis Khan" allegations + war crimes allegations + dishonoring veterans framings. (5) Kerry's campaign initially failed to respond aggressively to Swift Boat attacks. The structural lesson: candidates should not make biographical strengths into campaign focal points unless prepared to defend them aggressively. Subsequent candidates (Obama 2008+12; Biden 2020; Harris 2024) generally avoided making single biographical attribute campaign focal point. Trump 2016 + 2024 attacked opponents' biographical strengths directly (Hillary Clinton's experience; Biden's age; Harris's prosecutorial record).

AP students should be able to articulate the rhetorical strategy + backfire.

QUESTION 5

9/11 affected Bush 43 in five structural ways: (1) Approval rating peak 92% post-9/11. (2) Wartime president framing dominated 2004 campaign. (3) Republican Party coalitional consolidation through patriotism + national security. (4) Democratic Party defensive position - had to support 9/11 response. (5) Long-term political-economic costs of Iraq + Afghanistan wars eventually damaged Bush second-term position + contributed to 2008 Obama victory.

AP students should be able to articulate.

QUESTION 6

Bush states (31): most South + Plains + Mountain West + parts Midwest (OH, IN, IA). Kerry states (19 + DC): Northeast + West Coast + selected Midwest (IL, MI, MN, WI) + HI + DC. Geographic pattern reveals Bush-era Republican coalition: (1) Solid South consolidated. (2) Plains + Mountain West structurally Republican. (3) Industrial Midwest contested - Bush won OH + IN + IA (gains from Gore 2000); Kerry won IL + MI + MN + WI. (4) Northeast + West Coast structurally Democratic. (5) The 2004 map confirmed post-1992 Democratic coastal-Midwest coalition vs Republican Southern-Mountain-Plains coalition. Bush 2004 expanded 2000 coalition by ~3 EV (gained IA + NM; lost NH). The structural template would persist with adjustments through Obama 2008 + Trump 2016 + Biden 2020 + Trump 2024. Industrial Midwest swing states (OH, MI, WI, PA, IA) would be structurally decisive in subsequent elections.

AP students should be able to articulate the structural pattern.
